

# VISITECH CELEBRATES PHENOMENAL GROWTH AND RECORD REVENUES IN 2023

*Posted on December 18, 2023*

As the curtains draw on 2023, Visitech proudly commemorates yet another year of unprecedented success, marked by soaring revenues, sustained profitability, and robust free cash flow.

CEO Øyvind Tafjord extends heartfelt gratitude to those who made it happen.

## Growth across the line

Our achievements span across various divisions, witnessing remarkable growth in [lithography](#), [additive manufacturing](#), and other key business units. This monumental success is a testament to the unwavering dedication of our global team. From the diligent efforts of our manufacturing and operational teams in China and the US to the relentless innovation of our engineering squads and the steadfast support from our finance, marketing, and human resources departments – each contributor has been instrumental in steering us toward this pinnacle of accomplishment.

## Committed customers

**Central to our journey has been the unwavering trust and confidence bestowed upon us by our esteemed clientele. Their unwavering commitment to execution, innovation, and leadership has been the cornerstone of our progress. Our commitment to continual improvement remains resolute as we forge ahead, driven by the perpetual pursuit of earning and upholding their trust.**

## Challenges became opportunities

While global markets have presented uncertainties, they've also unveiled immense opportunities. In anticipation of burgeoning needs, we're actively expanding our manufacturing footprint and bolstering resources to cater to the escalating demands of our customers. Our dedication to our motto, "Creating images together," stands stronger than ever.

On this note, I extend heartfelt gratitude and Christmas wishes to our employees, partners, and customers – while genuinely looking forward to working with you in the new year and beyond. May this festive season usher in peace and joy for all!

Best Regards,  
Øyvind Tafjord  
CEO, Visitech Group

## Impactful social commitments in 2023

Through a meaningful contribution to the Norwegian TV-campaign, we've stood in solidarity with The Red Cross, supporting children affected by the challenges of war and conflict.

## TV-AKSJONEN **NRK**

Additionally, we take pride in sponsoring 30 underprivileged children and providing life-saving reflective vests to Bekkevolden barnehage, a cherished local kindergarten in Drammen, Norway. Rett Fram Opplevelser, a voluntary organization working for children and young people excluded from social communities, also received funds from Visitech.

Our unwavering commitment to success goes hand in hand with our dedication to fostering positive change within our communities. This reflects our core belief in creating a world of progress and compassion together.
